EMSUR-EXIMPACK EXHIBITING AT THE LARGEST FOOD EVENT OF EASTERN EUROPE

ProdExpo 2018 starts today in Moscow celebrating its 25th anniversary. For five days, Emsur-Eximpack will show their product portfolio and last innovations reinforcing its presence in Europe.

Moscow (Russia), 05/02/2018 ---- Emsur Eximpack is exhibiting at the ProdExpo 2018, the largest food event in Russia and Eastern Europe which showcases a wide range of foodstuffs and drinks from around the globe. The fair is held in 100,000 sqm, with more than 2,300 participants from over 60 countries. In addition to this, this years' exhibition is celebrating its 25th anniversary. The trade show, which takes place in Moscow for 5 days, starts today.

The company will show a wide portfolio of shrink sleeves, "wrap-around" labels, lids and banderole products as well as innovative samples with different printing effects such as matting, MERCK, metallic inks, cold foil stamping, and eco-friendly materials. The Eximpack booth is located in **Pavilion 7, stand B48**.

Emsur Eximpack is specialised in flexible packaging solutions for the beverage and dairy markets. Experts in shrink sleeves, it offers a wide spectrum of services such as extrusion, rotogravure printing, lamination and label converting solutions mainly for the food industry.

The Eximpack's partnership highlights Emsur commitment to the Russian market and its contribution to increase the delivery of high quality products in the Eastern European region.

ABOUT EMSUR

Emsur is a division of the Grupo Lantero dedicated to the manufacture of flexible containers for packaging solutions primarily designed for the food sector, with both rotogravure and flexographic printing.

The company currently has 10 production plants and 7 sales offices that allow them to conduct business in over 60 countries spanning the Americas, Europe, Africa, the Middle East and Asia.
